I'm an adorably precious Siamese kitten girl named Margarita! At about 10-weeks-old, I'm searching for that special someone to make all of my dreams come true. My mom was pregnant with me and

*four siblings when she was rescued from a rural county shelter just as her time there was running out. She gave birth to us at our foster home and now we are safe and happy in Wilmington, NC while waiting to be adopted. My mom is thought to be a Japanese Bobtail and you can see a photo of my three brothers on page 32. I love to play with toys, wrestle with my siblings, and be cuddled. I can be adopted by myself, or maybe you'd like to pair me with one of my siblings or even my mom. I'm spayed, up to date on vaccines, litterbox-trained and pretty as a picture! To meet me, my mother, or any of my siblings, please call or text our **Adopt-An-ANGEL** foster mom Audrey at 919-634-0099. Much gratitude to Michael Cline Photography for taking my portrait and helping me find a loving home. Please give me a call today!*

My name is **Grace** and I am a Husky mix who is estimated to be about 2-years-old. I am a beautiful girl who needs a forever home with an experienced Husky owner. I was adopted early November but due to no fault of my own, I returned back to Roseys Rescue. I am current on all my vaccines, microchipped, spayed, crate-trained, leash-trained, house-trained, and have been treated for heartworms. I will need to be your only pet as I'm not good with cats or dogs. I do love kids of ALL ages. I must have a home with a 6' fence as I will jump over anything smaller. I am a very affectionate gal and would love to run around and cuddle on the couch with you. If you think I am a perfect fit with your family and want to know more about me, contact Roseys Rescue by emailing roseysweezers7@aol.com, checking out my post on Facebook at Roseys Rescue or texting 910-547-0998.

I am sponsored by Ronald Newhard as a living tribute to Snafu, a former shelter dog who found his true forever family.

FRIENDS OF FELINES

Hi there!
My name is **George**. I need to find a new home because my family already had a dog in the house who is not adjusting to me being there. I LOVE other animals,

even that silly dog. I would really enjoy being able to go outside for walks on a leash. I am a love bug so I would like to have a new home where I can have lots of attention. I am neutered and up to date on my shots. Please call 919-710-3872 to arrange to meet me. I am looking forward to hearing from you! ♥

OPERATION TOP CAT

My name is **Bynx** and I'm a sweet and friendly boy who likes pets. I had a urinary issue which has resulted in me needing to only have prescription urinary food and not over the counter urinary wet and dry food. I have a brand

that I love and eat just fine. I will be celebrating my 2nd birthday in August and I hope to party with you. I've had all my vet care including neuter surgery, vaccines and negative tests for Feline Leukemia and FIV. I've been around other cats and do just fine. To adopt me, call 910-200-0612 or email otopcatnc@aol.com. ♥

CAROLINA ANIMAL PROTECTION SOCIETY

Hello, my name is **Cosmo** and I love to play. I enjoy the company of other cats and I'm especially patient with the little mischievous kittens here at CAPS. At first, I might be a little curious from a distance but I will warm up quickly. Once you're no longer a stranger to me, I love attention and

having fun. I'm 2-years-old, I'm vaccinated and I'm already neutered. To adopt me, please call 910-455-9682, email capsrescue@yahoo.com or visit www.capsrescue.com. ♥

HAMILTON'S HEALING HEARTS

Hey! My name is **Callie** and I'm a 2-year-old Pit Bull mix who just completed heartworm treatment. I'm a loving girl with lots of energy and I do not like cats. I was rescued just as my time was running out because I have a lot of love to give everyone I meet. I'm a very clean, non-messy girl who is good with other dogs. Please call 910-271-5170 or send an email to hamiltonshealinghearts@gmail.com today! ♥

Hi, my name is **Wilson** and I'm a 2½-year-old Boxer mix. I am deaf but that doesn't stop me at all. I am already neutered, I'm current on vaccinations, I'm heartworm negative and I'm even microchipped. I love everyone I meet and I'm looking for a home without kitty cats. Life should be filled with fun and adventure, so I'd be happiest with an active family.

I'm looking for a home because I was thrown from a car in downtown Wilmington and a caring citizen brought me here. To adopt me, please call 910-271-5170 or send an email to hamiltonshealinghearts@gmail.com! ♥

COASTAL ANIMAL RESCUE EFFORT (CARE)

I'm a beautiful pup named **Ariel**! I came in with a traumatic injury that has left me with permanent coordination and balance challenges. I may fall down a little more or have a few more problems getting up, but this does not stop me as I will play and run with my gang of puppy friends. While I try hard to be a good girl, my condition can result in an accident here and there but a good routine and lots of yard space could be a big

help. I'm in need of a loving home, with a yard and hopefully other dogs or kids to play with! For info, call 910-256-2624 or email carewilmington@yahoo.com. ♥

COLUMBUS HUMANE SOCIETY

Hi there, my name is **Adel!** I'm a small indoor cat who loves being petted and brushed. I get along with dogs and I sleep wherever I am allowed. At 5-years-old, I'm spayed, vaccinated and litterbox-trained,

with silky all-black fur and golden eyes. My owner passed away in August, leaving me with my owner's wheelchair-bound, elderly sister, and she cannot give me the attention I need. Do you have space in your heart for a sweet girl like me? Please call Julie at 910-770-0442 or email jbarden53@icloud.com and let's make a plan to meet. ♥

Hello, I'm **Hannah**, an 8-year-old Black Lab mix. I weigh about 45 pounds and am spayed. I'm a sweet girl who walks great on a leash and I enjoy going for walks in the neighborhood or park. I'd like a home without cats and I've never been around small children. At night, I sleep in the bedroom with my foster mom on a dog bed. My owner passed away in August, which left me living with her wheelchair bound, elderly sister, and she just

can't give me the attention and training I need. I'm a friendly black beauty who just needs someone with a fenced yard and space in their heart for me. Call Julie at 910-770-0442 or email jbarden53@icloud.com so that we can meet. ♥

RUSSELL RESCUE OF THE CAROLINAS

I'm a sweet little lady named **Zoey**. I was in pretty bad shape but my foster parents have been healing my body and soul. I waddle like I am ancient but the vet says I may be 6 to 7-years-old. I have some early onset arthritis, but Adequan has put pep back in my step. I do get seasonal ear allergies and I'm also hard of hearing. I love my toys, visiting with my fur friends, and being with my humans.

My ideal home would be without children under 10. To adopt, call 910-821-3504, email mcburton@gmail.com or visit www.facebook.com/russellrescuecarolinas. ♥

RESCUECONNECT

Hello, my name is **Big Foot** or, as my foster mom calls me, Big! I lost my dad a few months ago and my 2 other siblings and I were living outside until RescueConnect came and rescued us. I am a sweet and loving boy but I can take a little time to settle in to a new environment. I love to run around the yard and get loved on. I am about 6-years-old and in the process of getting heartworm treatment. I am going to be good to go after that! I tend to hang pretty close to my foster mom. I am house-trained and learning to walk on a leash. If I were to have any other canine siblings, ones my size are what I feel most comfortable with. I have come a long way and will continue my progress with a loving family. I sure do miss my dad but I'm ready to find my next adventure. To be my forever family, call 910-302-7290 or visit www.rescueconnectnc.com to apply for my adoption. ♥

My name is **Texas** and I am a chunky low-rider! I am a really smart girl and even though I am 7-years-old, I still have a lot of energy. I am super sweet and do get along with most dogs. I'm looking for a home without cats, chickens or young children. I know sit, stay and wait, and I am house-trained. I love going on walks and I love to give kisses! A home with a fenced yard where I can run and play would be ideal for me. I have my bags packed and I am waiting and ready for my forever family! If you

could be my forever family, call 910-302-7290 or visit www.rescueconnectnc.com to apply for me. ♥

ROSEYS RESCUE

Howdy, my name is **Ramsey**. I am a Treeing Walker Hound estimated to be 5-years-old. I am friendly with all dogs and prefer to not have cats in the home but I love kids of all ages. I am the happiest Hound you will ever meet! I am crate-trained, leash-trained and working on house-training. With some patience, I will pick it up fast. My foster mom believes I was a former hunting dog but I have shown no

desire to hunt since I've been at her home. I am a very low-maintenance and chill boy but when it's dinnertime, I'm super excited! I am current on all my vaccines, neutered, dewormed and heartworm negative. To adopt me, email roseysweezers7@aol.com, check out my post on Facebook at Roseys Rescue or text 910-547-0998. ♥

Marine Cargo Surveyors

www.wcleeuwenburg.com

Ready to have fun with me this summer? My name is **Nala** (A448036) and I'm a spayed Shepherd mix who came into the shelter as a stray. I'm a very sweet and friendly girl who loves to hang out with people, play with toys, and cool off in the water. I could use

a little training, but I'm food motivated so that makes things much easier. At 4-years-old, I'd be an eager and fun companion on all kinds of adventures, especially if they include the beach, lake or anything water-related! Come on over to the shelter and let's meet in the play yard. I'm at New Hanover Sheriff's Office Animal Services Unit in Wilmington, and adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. My name is **Barbie** and I am a chatty gray Tabby. I am super sweet and friendly. I do well with dogs, but prefer to be the only cat in the home. I was a stray at a homeless shelter and needed to get out due to overcrowding. I am current on vaccinations and I've already been spayed. My ID number is **A449714** and I'm also vaccinated, dewormed, microchipped and on flea prevention. You'll be the luckiest person ever to have a wonderful companion like me in your life! ♥

◀ I'm a gorgeous gray striped Tabby named **Dusty** (A450452) and I've been waiting since June for a loving family to come swoop me up and take me away! At just

1½-years-old, I'm a healthy and sweet boy, already neutered, vaccinated and litterbox-trained, just like all the other cats here. I enjoy a bit of catnip now and then and love to feel gentle hands stroking my fur. Now that gets me purring! Please come to the shelter and get to know me! ♥

◀I'm a laid-back and friendly boy named **Sunny** (A431773)! At 8-years-old, I'm a neutered Labrador Retriever who is extremely sweet and very gentle with all the folks I've met. I am vaccinated, on flea prevention, dewormed and microchipped. I've been at the shelter a

while now, but a sweetheart like me deserves to be in a loving home with a cushy dog bed. Come meet me! ♥

◀My name is **Pip** (A443980) and I'm a 1-year-old Lab mix boy who loves to play and bounce around the yard. I will take my toys and toss them up in the air while trying to catch them. I'm looking for an active family, a cat-free house, and lots of love! If you have another dog, bring him or her on over to meet me. I could use some training but I'm

smart and willing to learn. And I'll definitely put a smile on your face! Can't we all use some happiness these days? ♥

◀Woo Hoo! It's pool time and the water is fine! Hi, my name is **Zara** (A446828) and I'm a pool-loving, hose-loving, fun-loving girl! At just 2-years-old, I'm spayed and ready to spend the rest of the summer with my new

family! I'm looking for folks who are experienced with my breed, which is Pit, and I'd also enjoy being the only pet in the family. That way I have the whole pool to myself! Do yourself a favor and come meet me at the shelter. We can take a dip in the water and get to know each other! ♥

◀Oh, I am just the sweetest thing! I'm a black baby kitten (**A451625**) who loves to be petted and given attention. I enjoy playing with toys and get along well with other kittens. I don't yet have a name, so that will be up to you. Let's see, I'm a boy, so there's always Shadow or

Midnight or Raven...well, whatever name you choose, I'll be happy to answer to it and bring you lots of love! ♥

▶ If you need someone to remind you how fun life can be, you're looking at her! I'm **Lola** (A450089), a 2-year-old white Boxer mix who is as joyous and sweet as they come. I'm an active girl looking for an active family who would love to share adventures with me at the beach, park, mountains, you name it! I could use some training but I'm a smart girl and food-motivated, which really helps. If you have another dog, bring him or her out to meet me, okay? ♥

◀The staff is simply amazed that a sweet and loving girl like me has been at the shelter since June 14! I'm a 1½-year-old girl, already spayed, and I absolutely love getting petted all over. I haven't yet been given a name, so you'll

have to think of a pretty one for me. My ID number is **A439630**. Please come over and see for yourself what a loving sweetheart I am. I'll be a great companion! ♥

Stunning Siamese Alert!
My name is **Gilbert**.

Glad to meet you! My human rescuers say I am a gorgeous big Applehead Chocolate Point Siamese. At 5-years-old, I love to be petted and will hang out with you as long as you like. I love people and other cats

and will thrive in a calm household. I am microchipped, vaccinated, neutered and litterbox-trained. I had to have a mass removed from my ear but it is long healed. I am FIV positive, but I am healthy and happy. Won't you please give me a home where I can be loved? To meet me or to ask any questions, please call my friends at 910-262-8890.

► Creamsicles are a frozen treat of vanilla ice cream covered with orange sherbet. People love them so much that they now have a drink, a salad, a cake, fudge and even jello - all with creamsicle flavor! Cat Tails doesn't have any of those, but we do have **Creamsicle**, the cat! That's me! I am a big, beautiful, orange and white, 7-year-old male who would prefer being the only cat in the house. If you would like a sweet, orange and white, but inedible treat, come meet me! ♥

◀ My name is **Koala** and I keep everyone on their toes. Sometimes I'm friendly and sometimes I avoid people and prefer not to be touched. I am a pastel Calico who is a 3-year-old girl. I am slow to accept new situations and will need time to adjust to a new environment. I like other cats and think having another one around would help me get over my fear of new surroundings. ♥

August is "HIGH FIVE" month. The adoption fee for many of our adult cats is reduced to just \$5! The adults highlighted here are among the those with the reduced fee.

► If you want an adult cat but would like one who is still young and playful, I'm **Peter**. I'm a solid black 15-month-old boy who would love to entertain you. I will run and jump and throw around toys and then curl up in your lap to save up the energy to do it all over again. I like other cats and would make a wonderful addition to any family. ♥

► I have a lot in common with Christy Brinkley. She was a cover model and so was I. She is still beautiful and so am I! I am **Sara** and I was PawPrints Magazine's cover model in June, along with my daughter. Well, all of my kids have found homes of their own but as it happens so often, I'm still searching. I will be 1-year-old this month and it would be so incredibly wonderful if I could get a home and maybe a little party for my birthday! ♥

◀ A truffle might be a fancy chocolate candy or a subterranean fungus. Both are delicious and very expensive! Not me! My name is **Truffle** and I'm an 8-year-old, female cat. I'm not edible but I am a beautiful Calico and Maine Coon mix. I do have a couple of quirks: I don't like to be picked up and I really, really dislike other cats. I'm also wary of anything new and would need a long adjustment time. ♥

▲ Cat Tails has lots of kittens, too. We're **Delia** (girl), **Devin** (boy) and **Dwight** (boy). Devin and Dwight are long-haired and very handsome. I look like I'm whistling at them! We are 5-months-old and ready to find forever homes! ♥

Look at my face! How in the world can you resist me and my big beautiful eyes? I'm **Mae**, a 9-month-old girl with the most unique black and white markings. I'm a gentle sweetheart and I LOVE cuddles! I enjoy being cuddled at night, and I enjoy being cuddled during the day. I'm not picky when it come to cuddles. I just love being in your arms! I am spayed, vaccinated and litterbox-trained. To meet me, please call/text Cat Adoption Team at 910-599-2755. This sweet and happy face belongs to me, **Princess** (A413895)! At just 4-years-old, I'm a spayed Pit Bull girl who is already house-trained, yay! I'm very sweet and friendly with all the staff and volunteers. I love to have my belly rubbed and back

scratches are great, too! I'd prefer a household with no cats or small kids, but if you have another dog, please bring him or her out to meet me. I'm very treat and food motivated, and am vaccinated, dewormed, microchipped and on flea prevention. To meet me, come to New Hanover Sheriff's Office Animal Services Unit in Wilmington. Adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. For driving directions or more information, call 910-798-7500. See you soon!

◀ Hello, my name is **Spottie Dottie** and I'm a 5½-year-old girl who is a gentle lap cat! If you tap your lap, I'll jump on, make some biscuits and settle in for some loving and petting. I am an affectionate girl who gets along with cats, dogs and children. I have already been spayed and I'm current on vaccinations. ♥

▶ Hello Tabby Lovers! My name is **Sassy** and I'm a 1½-year-old, domestic medium-haired girl who is already spayed. I'm a stunning brown and tan Tabby! I am super-friendly and I love adults and children of all ages. I am scared of dogs, especially large breeds. I relax during the day and enjoy my playtime and zoom sessions in the evening. I tested negative for FeLV/FIV, my shots are up to date and I've already been microchipped. ♥

▶ I'm **Sampson** and I'm 1½-years-old. My former owners abandoned me. I am extremely loveable and I get along with cats but I am scared of dogs. I tested negative for FeLV/FIV and I'm vaccinated, dewormed, on flea prevention and neutered. I am a sweetheart who loves to be in the same room as my humans and I would love a forever home. ♥

◀ I'm **Billie** and I'm 10-months-old. I am playful, I have a loud purring machine and I get along with other cats and dogs! I'm already neutered, microchipped, vaccinated, and tested negative for FeLV/FIV. Please give me a chance to bring joy and love into your life. ♥

▲ We are a bonded duo. My name is **Andy** and I'm a 9-year-old, neutered, orange Tabby boy. This is **Oreo** and he's a 6-year-old, neutered, grey and white boy. We are looking for a home together. Our previous owner went to an assisted living facility out of state and wasn't able to take us because of asthma and allergies. Our owner's relatives reached out to Thundering Paws for help. We are looking for a quiet, forever home by the end of spring when our owner's home will be sold. Thundering Paws took us to the vet and we had all our shots and great results from a complete blood panel to make sure we are healthy. We are FeLV/FIV negative and had dental cleaning with tooth extractions! We are litterbox-trained, dewormed and on flea prevention. We are very gentle, quiet, and well-behaved cats! Please chose to love us. ♥

▶ I'm **Miss Marple**, I'm almost 2-years-old, I'm current on my vaccinations and I tested negative for FeLV/FIV. I will be spayed very soon. I am a super friendly Tortoiseshell and love to be petted and held by humans. I was a great momma cat and very proud of my litter of 3. Riki, pictured here, is the last of my babies available for adoption.

He is a super-cute 9-week-old cuddly boy who is affectionate and playful. While I love him dearly, I am done with motherhood. If you are a really good person, please consider giving me a home. Imagine me getting adopted before Riki? That never happens in rescue. I'll be a wonderful companion. ♥

For information, please visit www.facebook.com/thunderingpawsinc.

WILLIAM & STOREY

We are a bonded pair of ADORABLE kittens. My name is **William** and with me being a really laid-back boy with long-hair and **Storey** being a short-haired girl who is full of energy - you'll get the best of both worlds when you adopt us!

We were rescued together and just can't imagine life without each other. We are so BEAUTIFUL with our silky gray and white fur. We are fully vetted and ready to move in with you. We've been microchipped, we're already spayed/neutered, we're current on age appropriate vaccinations, and we come with our own collars and tags and TOYS! We are living in a really small space now, so we would love to have some room to run and play. Please come meet us soon! We love to cuddle and we love to have fun! We know you will LOVE us both!

If you would like more information, please call **Feline Urgent Rescue and Rehab** at **864-483-2444** or send an email to adoptafurrcat@gmail.com. Terry is our personal assistant and she'll be happy to help arrange a time for us to meet.

◀My name is **Trigger** and I am a very loving teenage boy with the prettiest amber eyes! I sure hope you see my picture in color to truly do justice to these beautiful eyes! If not, you better

make an appointment to meet me in real life to see for yourself. I do well with other pets and kids, too. I am a faithful litterbox user and love my indoor pampered life. Please call Sherry at 910-523-1254 to meet me. ♥

▶My name is **Meatball**. I am a super-friendly guy and I love everyone I meet. However, I should be an only pet in the household and would be best with someone familiar with my breed. I am a little, knee-high pocket Pit who is adorable. I am an older fella about 8 years old. I was recently treated for heartworms, and I'm am neutered, vaccinated and microchipped. I am

LAZY, low-maintenance and love to lounge around. Please call Jill at 910-620-3783 or Sherry at 910-523-1254. ♥

◀My name is **Samantha** and if you want a pretty cat to look at all day, I am drop dead gorgeous. I also happen to LOVE people and I am a real companion! I'm 3-years-old, super friendly and I

am absolutely ready for my forever home. I lived with my brother cat until March so I am a good companion cat for you OR your needy cat at home. Come meet me at Petco in the cages or text Melinda at 910-471-6909. ♥

▶My name is **Gwen** and I am a 1-year-old, super friendly Tabby cat! I was a stray, but have been living indoors in my foster home for several months now and I am loving this new pet life! I do well with cats, dogs and kids and I would make a great companion for anyone with a big heart looking for companionship. Please call Sherry at 910-523-1254 to meet me. ♥

▶My name is **Hailey** and I am a larger girl, but a total love bug. I am house-trained, quiet and well-mannered. I am about 5-years-old. I was recently returned because my owner's roommate kept leaving the gate open and I would go for a stroll. If you can keep your gates and doors shut, I will be a perfect companion. I am great with older kids and ok with other dogs. In my last home, the cat didn't like me. Please call Sherry at 910-523-1254

to meet me or to answer any questions. ♥

◀My name is **Alma**. I am 100% ALL Calico which means that I am sweet, but a bit of a diva. So, no small children for me please! I was a homeless stray and have completely left that life

behind. I have reinvented myself into the queen that I was always meant to be. I am just 2-year-old, spayed, and vaccinated. Come meet me at PetSupermarket at 3908 Oleander Drive or text Donna at 910-508-5518. ♥

ADOPT a Shelter Dog!

My name is
Bugs

(A096983)!

Hi there! I'm a 7-year-old spayed Lab mix and I'm ready to be your girl! I have the best smile in town and an even better personality.

I'm an easy walk and

good with other dogs. You'll love me! I'm at **Brunswick County Sheriff's Animal Protective Services**. Call **910-754-8204** with questions.

My name is
Redford

(A450155)!

Looking for a handsome guy to love? How about me? I'm a 1-year-old Lab/Pit mix boy, already neutered. Like most young pups, I could benefit from

training to reach my full potential. Come meet me at **New Hanover Sheriff's Office Animal Services Unit**. You can also call **910-798-7500** with any questions about the adoption process.

PREPIE

I was living under a prep school and was too scared to come out much. Finally, I was rescued by FURR and have been meowing with joy ever since. I am the sweetest little 9-month-old girl with very unique soft fur. I am

black with a silver undercoat! I love being with people and I never knew it could be so great to be loved, fed regularly and safe. You will fall in love with me at the first meeting. I'm fully vetted, spayed, microchipped and ready to go.

PERCY

I was rescued from a colony of cats living at Topsail Beach. I am about a 1-year-old now and super handsome. My fur is super soft and I love to be rubbed. I have a very quiet nature and can be a teensy shy, but after petting me for a moment, I can purrrrr to beat the band. My favorite thing is kitty treats and playing with all my buddies. If you want a big laid-back boy, I could be the one for you. Why don't you come meet me and see for yourself? I am fully vetted and ready to go!

DONATE: Covering medical costs, pet supplies and food are every day expenses for FURR. We accept monetary and non-monetary donations which are tax-deductible to the extent of the law!

TUNA

You guessed it - yes, I love tuna! I am a long-haired Tortie girl and quite an eye-catcher. You don't see many cats with my beautiful markings and coloring. I am a little shy until you start talking to me and then, if you rub my back right in front of my tail, you would be surprised how high I can lift by butt up in the air. That just means that I love the attention and to keep on

scratching. I was rescued from a seafood production plant and I'm so glad FURR took me in. I might have been hurt or killed if I had continued to live there. I've had it really hard, but now I'm on easy street just waiting for someone to sweep me off my feet. I'm spayed and fully vetted.

LEA

I was rescued from a colony of cats in Hampstead. I am a tiny, teenage girl. I was supposed to be fixed and released back out into the colony. Everyone quickly found out that I fell in love with being loved. I would rather be cuddled and petted than eat! I talk up a storm (thanking FURR for saving me) and I show my gratitude by rolling over and showing my belly. I definitely need to be an indoor family cat because of my amazingly sweet nature. I get along great with other cats (once I have a moment to get to know them), but my very favorite thing in the world is to be held and loved! I am fully vetted and ready to go. You won't believe what a wonderful kitty I am.

VOLUNTEER: There are lots of ways to help our cause, from raising awareness about spaying/neutering, to helping with fundraisers or simply volunteering time to care for the kitties!

PERCH

I can't believe I'm still homeless! I am a Russian Blue mix with a white spot on my chest. Although I am a little shy with new folks, I warm up quickly to someone giving me love and attention. My fur is

so soft and I hardly shed at all. I'd prefer a quiet household where I can curl up on the couch and watch TV. I am such a gentle and docile 9-month-old kitty. If you love the look and softness of a Russian Blue, please come visit me. I know you will want to take me home!

CARBON

I am literally a once-in-a-lifetime cat. I am 3-years young and my owners are leaving the country. They really loved me a lot, but they couldn't take me with them so I had to come back to FURR. I am the most gentle, laid-back kitty ever! I would love a family to dote over me. My fur is silky smooth and soft and I love to be petted, rubbed and brushed! I will greet you at the door and I'm not timid at all. In fact, I love to talk and tell you all about my thoughts. I hope to be adopted really soon, so hurry up and come meet me!

Feline Urgent Rescue and Rehab

JAX

I'm a young, gorgeous, silver Tabby who is very laid-back! I love all kinds of attention and belly rubs. I am a good-natured boy with a gentle soul. Since I'm always happy, my favorite thing to do is purr. I am ready to flourish in my forever home where I can be a social butterfly. I do have a sibling sister named Max, and we have been through a lot together. It would be great if you

could adopt us both. I am fully vetted and ready for a forever home. Come meet me (us) and fall in love! FURR gives a good discount for adopting two attached kitties!

MAX

I am a sweet, sensitive teenage girl who needs a moment to learn that you're a friend. I had a tail injury and as a result, it had to be amputated.

I'm so lucky that I was rescued with my brother, Jax (we were living at a Bojangles). My tail amputation hasn't slowed me down at all. I am a gorgeous, sassy, green-eyed bobtail. I love playing with all toys, especially my laser light. I am easy-going and love my rub downs. My brother gives me the confidence I need and I think I would be lost without him. I am completely vetted and ready.

ADOPT: All of our cats are anxiously waiting to be adopted! Whether you want a mellow Lap Cat or a bundle of energy, we will help you choose the cat who is right for you!

PAYTON

I am a STUNNING chatty girl who loves to play and be adventurous. I think my markings are precious just like me! Please come meet me and see. I am fully vetted and ready for my new humans to take me home. You won't find a prettier girl with all of my stripes and white. I have really cool siblings

and we all play together and have a really great time. I was born at the rescue because my mama was pregnant with us when she was saved from a Bojangles parking lot.

JHETT

I am a very unique color - a golden/brown Tabby boy with lots of white. People say that I am really beautiful. I am the purrfect kitten because I am an affectionate and cuddly little guy. I am very personable and can be silly at times. So with my gorgeous looks and amazing personality, you get it all when you adopt me. Oh, don't forget my golden eyes. Please come meet me. I'm fully vetted and ready for my new home. My siblings and I are living in a large pen, so we are hoping to be adopted soon.

FOSTER: Fostering can be a very rewarding experience for a family or an individual. You will get to enjoy the company of a lovely kitty for awhile, and you will be helping to save a kitty's life!

BREE

I am a very sweet and exuberant girl. My eyes are as golden as my heart. My fur is super soft and just look at all of my stripes. I am completely vetted and ready for my

new family to give me a forever home. Please come meet me! I love to cuddle and I love to play. Dinnertime is my favorite time, but having attention paid to me is very important, too! Read all about my siblings and maybe a couple of us could go together? We have a very close relationship. FURR gives a discount if you take two of us together! I can't wait to meet you!

BO MAMA

I need HELP! I am a drop dead gorgeous cat who was rescued at a Bojangles where I was living in the woods! A good Samaritan saw me out there, and I was very pregnant. She took care of me until FURR could help.

I had my babies, after going into rescue, and now I am hoping to get my turn at a new life. You won't find a more beautiful color or softer coat than mine. I am still pretty shy, so I need someone who will foster me for a little while to give me confidence. I am very small and sweet natured. I've just never lived in a real home before. I am so close to being ready for adoption. I'm hoping someone will spend the time with me to help reassure me that I won't be abandoned or unloved again. Are you that cat whisperer that I am looking for?

Davey here! It's been a year since I came to Paws Place completely closed down and terrified of humans. Being a 19 pound Chihuahua mix, I got a lot of interest initially, but once people found out I am the shyest dog at the rescue and require going home with at least one other dog, people have stopped coming to see me. The

volunteers have been working really hard this past year to teach me that humans are nice and I really am trying to understand there are good people out there. I still hide under my blankets when people are around, but the second I see a dog my ears perk up and I go running towards them. Lately, I've been walking every day with my adoptable friends, Greta and Vera, to gain confidence. I wish everyone could see me bouncing around, tail wagging and tongue hanging out when I am with my friends. We call ourselves "The land of misfit dogs" since all three of us are special dogs with certain needs. I hope a very patient and understanding person (and my future fur sibling) are looking for me. I am a sweet 4-year-old boy. I just need time, patience, and kindness! If that sounds like you, I can't wait to meet! Paws Place is open Tuesday through Saturday from 10am to 2pm and no appointment is necessary. Call 910-845-7297 or email info@pawsplace.org for info.

I am sponsored by The Tree House Gang at Saltscapes Landscaping. Thank you!

We are **Maggie** and **Misty** and we've been at the shelter since May 2021! I'm Misty, the black beauty, and Maggie is a lovely Tabby girl. We have grown up together and we'd

love to be adopted together, if possible. At just a little over 1-year-old, we're very playful and enjoy all kinds of toys. Maggie is a little shyer than me but she warms up once adjusted. We are even okay with dogs and will be especially curious and comfortable once we know we are safe. We are spayed, vaccinated, microchipped and in great health. Won't you please give us the loving home we've been yearning for? We're at Pender County Humane Society which is open to the public every day. You are welcome to call 910-259-7022 for visiting hours or with questions about the adoption process. Hope to see you soon!

We are sponsored by the Furry Friends Re-sale Shop in honor and memory of all the animals who've passed through the doors of Pender County Humane Society.

◀ My name is **Archie** and I'm an Australian Shepherd mix. I am paralyzed from the waist down and use my cart to get around. I love to go on walks and I am good with other dogs. I like my people, I am 2-years-old, I weigh around 40 pounds. I will always need to wear belly bands because I leak urine. I am a good boy and deserve a

loving family. If you have experience with dogs like me, please ask to meet me in person. ♥

▶ I'm **Cheech**. I am a Chihuahua and Rat Terrier mix who is 2-years-old and 10 pounds. I like other dogs and cats and I adore people. I'm currently interviewing for my perfect forever home. I'm super handsome, don't ya think? I'm such a good boy, I've already been neutered and I'm also crate-trained. I did test positive for heartworms but my treatment is covered by RACE, so don't let

that scare you off! I am ready to love you. ♥

◀ Hi, I'm **Max** and I'm 3 to 5-year-old Shih Tzu and Terrier mix who weighs 13 pounds. I like other dogs, I like to chase cats, and I am a nice little lap dog who is looking for an active, loving family. I'm already neutered, vaccinated and microchipped, I love everyone and I have lots of energy to play! ♥

▶ My name is **Maybelle**. I am a Labrador Retriever, Hound and Spaniel mix who is 2-years-old and 55 pounds. I am spayed, vaccinated, and heartworm negative. I love people so much and am very friendly but I don't do well with other dogs or small

children. I am learning all kinds of manners and commands and go to school every week. ♥

▶ My name is **Jasmine** and I'm a tiny and happy little girl. I am an 8-year-old Poodle who weighs just 9 pounds. I like other dogs of all sizes and I am crazy about people. I am a fun little girl and even though I'm older, I still like to play. I am a very social girl and think life is about finding joy every day. ♥

▶ My name is **Coco** and I'm a very pretty little Jack Russell Terrier mix. I have been treated for heartworms and I'm ready for a new home. I weigh 17 pounds and I am 3-years-old. I am a wonderful girl without a mean bone in my body. I am afraid of men but all I do is avoid them.

I get along with other dogs and I am house-trained. I love observing the world from the comfort of a sofa but I also love to play and have a good time, so I am looking for a home with a fenced backyard. If you have room in your heart for me, I will give it back to you ten-fold. ♥

Hi there! I'm **Ashtar** and I'm a 1-year-old petite Labrador mix. I'm an active boy and after a good play session, I settle down for some love and cuddles on the sofa. I have been through basic obedience training and listen very well! I love to ride along in the car and make a good riding buddy. I really love going to the beach and just generally being with my people. I have been in two different homes so far. The first home had an elderly dog who was not to fond of my playful side. The 2nd home had another dog

and we got into a little bit of a scuffle. No one was injured in the mix. My adopters decided to rehome me again in hopes that I can find a true furever family. I need a home with no other dogs or a dog with the same energy. I love all kids of all ages. I am cat reactive, so no cats in the home, please. I am house-trained, crate-trained and walk great on a leash. I am current on all my vaccines, micro-chipped, dewormed, neutered and heartworm negative. If we could be best friends, please contact Roseys Rescue at roseysweezers7@aol.com, check out my post on Facebook at Roseys Rescue or text 910-547-0998.

► Hello! My name is **Thunderbolt** and I am a 1-year-old teddy bear. I am a special girl because I bond quickly and deeply with other cats, so I must be adopted to a multi-cat household. If you are looking for a companion for your existing cat, I'm the perfect fit for your family. Around people, I am very shy and timid at first and it takes a while for me to warm up. I will need an experienced adopter with the time and patience to earn my trust. Once I trust you, I will follow you around and always want cuddles. I'll sleep with you, too. If you're interested in meeting me, message us or text 910-707-4372 to set up a meeting in my foster home. ♥

► Are you ready for some high-octane loving? I'm **Kanu**, an exuberant 6-year-old lady whose cuddles fire on all cylinders. I will always keep you constantly entertained with my antics. I love to sleep with you right on top of your head on the pillow and I love to play with string toys and chase a laser pointer. I was on my own for a long time, so when I was rescued, I was extremely emaciated. But with some TLC, I am back to my healthy shape. I would thrive in a home with no small children or dogs as I get overstimulated occasionally. I am a real lover and will always want to be by your side. Please reach out to me if you'd like to meet me in my foster home. ♥

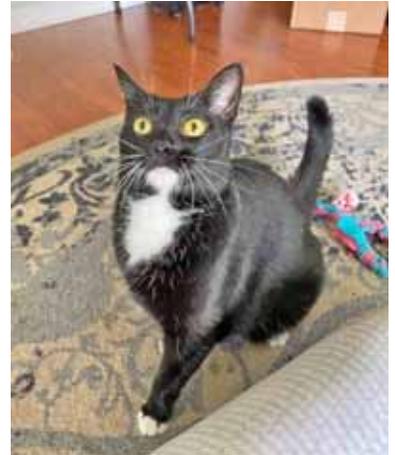

◀ Why, hello there. My name is **Meadow** and I am a 2-year-old love bug. I LOVE attention and will follow you all over the house like a shadow. I'll sit on your lap and sleep with you. Oh, and I love to chit chat, too. I play fetch like a dog, but sometimes I run away with the toy instead (just like a dog). I get along with other cats and would love a playmate, but as long as I get enough attention, I can be a single cat, too. ♥

◀ Meow! My name is **Gadreel** and I am a 1-year-old flame point Siamese. Everyone calls me a handsome fella, although I have no idea what that means. I'm very outgoing

and social, and I get along with cats, adults, and children. My hobbies include playing with everything, snuggling with my people, and following you around the house (chatting the whole time). Message us for more info, send an application from our website, or come meet me at an adoption fair! ♥

► My name is **Yuki** and I am a 2-year-old Tuxie girl. I am very affectionate and I crave human interaction. Though I am a bit bashful at first, once I blossom, I am so loving and affectionate and always want to be around you. I do well with dogs and cats, but I would be ok by myself, too. If you have some mice toys and love to give, I am your girl. Oh, and treats, you must have treats too ;) ♥

► Hello. My name is **Miss Hestia** and I was rescued after I was shot in the chest with an air rifle. I was hit near my vital organs and needed

surgery ASAP to remove the bullet. I have now fully recovered and am finally ready to find me forever home! I am 2-years-old and I'm very relaxed and loving. I get along with everyone including children, adults, and other cats. I haven't met a dog yet. If you're looking for a BFF who's not too demanding, I'm your girl! ♥

Looking for a pool or ocean buddy? How about me, **Prince** (A448863)! I'm a 9-month-old Pit Bull boy, already neutered. I love to play with toys in the shelter yard and I've been so friendly to all of the staff and volunteers here. I could use some training,

just like most pups my age, but my confidence will grow as I learn and I'll be the best companion you could ask for! To meet me, come to New Hanover Sheriff's Office Animal Services Unit in Wilmington. Adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. If you've always wanted your very own mini-panther, just take a look at us! We are, from left to right, **Frijoles, Beans, and Modelo**. At about 10-weeks-old, we three brothers are sweet, purry and friendly. Our mom was pregnant with us and two siblings when she was rescued from a rural county shelter in the nick of time. She gave birth to us at our foster home and now we are safe and happy in Wilmington while waiting to be adopted. Our mom is thought to be a Japanese Bobtail and our sister, Margarita, is the Siamese kitten featured on the cover and page 2. We are neutered, vaccinated and litterbox-trained, and can be adopted together or separately. To meet any of us, please call or text Audrey, our Adopt-An-ANGEL foster mom, at 919-634-0099.

We are **Timmy, Zack, Zeke, Calli** and **Sammi**. We are adorable kittens who were born in April 2022. We are fully vetted, spayed/neutered and current on age appropriate vaccinations. We are all playful and loving and we like to watch kittens and birds on TV. My name is Timmy and I'm a black and white boy who is the largest of the litter. I love following my foster mom around to get snuggles. My brother Zack is a gray Tabby boy who is quiet and gentle but playful with us siblings. He loves wet food and eats it faster than me. Zeke is a gray Tabby male with white markings on his nose. He's very curious and always investigating. Calli is my Calico sister and she's quiet but playful with us siblings. She loves wet food, tummy rubs, and head scratches. The last sibling is Sammi. She's a gray Tabby female who is sassy, very playful, and likes to be held. She may have been the runt of the litter, but her personality is BIG! She has the prettiest gray paws I've ever seen. You can learn more about us by calling my foster mom, Debra, at 804-814-2421 or by sending an email to her at debrafincher@yahoo.com. Hope to adopt you soon!

We are sponsored in memory of Susan L Brown.

► My name is **Sunshine** (A50396199). Get out your sunglasses because you'll need it! I am full of bright and happy energy. I'm a 2-year-old Pit Bull mix who is heartworm positive. I will need this treated by my adopter with the help of a local non-profit that assists with the cost. Don't let the heartworm status stop you from meeting me. I promise, you'll LOVE me. I am full of love and happiness. If you are interested in adopting, you can find my application online or you can email the shelter directly at animalservices@onslowcountync.gov. ♥

◀ I'm **Ky** (A45281587) and I joined the OCAS family again after being returned. I was originally adopted as a kitten and unfortunately, I was returned as an adult when my owner had to move without me. I am a food lover and a people lover. I am 2-years-old and I'm hoping to find a family who I can be with for the rest of my life. Head on out to give me some scratches and I will be your BFF! ♥

► My name is **Clarabelle** (A50317753) and I love snuggling my human and taking naps! I spend time looking through the windows at families passing by and skipping over my kennel. I watch other dogs being picked for a home, but for some reason, I haven't been picked. I have been here for over 30 days! My family has to be out there, right?! Sadly, I did test positive for heartworms but that won't stop me from being your biggest cuddle buddy if you do pick me! There is a wonderful rescue organization that will help with the cost of my treatment if I get picked. Please give me a chance to love you. ♥

◀ Hi there! My name is **Fried Beans** (A50390824). I am a toy-loving, fun-loving, people-loving, friendly boy. My friends at the shelter say I am the best boy here. Can you believe that? ME out of the whole shelter! I would love to find a safe home with a family who would take me on lots of walks and spend time playing with me and

my favorite toys. I am not the type of pal who likes to spend all day inside but after a long day of play with my human, I would be the perfect couch companion. I've been here for almost 30 days - I can't imagine why no one wants to pick me. Come meet me, I promise you'll love me! ♥

◀ I'm **Pinky** (A50188062) and I'm a sweet girl who does well with other cats and people. Unfortunately, I do not like dogs but I do love to spend my time getting head scratches and cuddling my human. If you are looking for an affectionate cat, then look no further! I am the absolute PURRfect pick. ♥

CAROLINA BASSET HOUND RESCUE

I am **Trudy**, a sweet older girl with a great personality! I am getting along with the other doggie housemates splendidly, and I love to sleep at the foot of my foster dad's bed.

Because of torn ligaments in my hind legs and general age-related joint pain, I initially had a problem with stairs, but now I am getting along just fine. I also walk well on a leash and enjoy getting some good exercise to keep me limber. I am ready for my forever home, so if you are looking for a great new companion, let's start our forever together! For info, call 888-909-2387 or visit www.cbhr.com. ♥

CHIHUAHUA RESCUE & TRANSPORT

My name is **Miss Scarlett** and I'm a 3-year-old Chihuahua and Dachshund mix. I was found wandering around as a stray. I am house-trained and crate-trained and would do best being an only dog or in a home with a larger male dog. I do not get along well with female dogs.

I need an experienced Chihuahua owner because I can get possessive and protective of my people. I love children and get along well with cats. I also love playing outside, chasing squirrels and having someone throw a ball for me to retrieve. I love to cuddle and to sleep in bed with you. I also love car rides. I am not the best on a leash but I'm quickly learning. I am spayed, current on vaccinations and on heartworm prevention. I am so loving and just want to find my forever home. Maybe that's you? To adopt, visit www.chihuahua-rescue.com/adoption-application. For more info, please call Carla at 336-813-0800 or email carlinascoordinator@chihuahua-rescue.com. ♥

I'm **Toby** and I'm 8-years-old. I am vaccinated, heartworm negative and neutered. I'm a very loving dog who will take some time to bond with you but when I do, I will follow you everywhere. I'm a great lap dog, I love running in a fenced in yard and I also likes to go on walks. I require experienced Chihuahua people who

are willing to dedicate time and energy into me. Dogs are ok if they ignore me, and cats are unacceptable. To adopt, visit www.chihuahua-rescue.com/adoption-application. For more info, you may also call Carla at 336-813-0800 or email carlinascoordinator@chihuahua-rescue.com. ♥

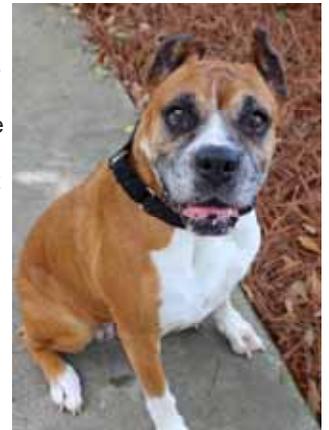

CAROLINA BOXER RESCUE

My name is **Bobby** and I'm ready to find my forever home. I love my foster family, but they have a puppy and I'd rather be the one getting most of the attention, plus she's crazy! I would much rather have an adult dog sister or brother who can help me with my anxiety when you need to run out. My favorite thing to do is just lay on the couch or follow my foster mom around. She calls me a Velcro dog. I will sometimes try to play with my foster sister, but mom keeps stopping me lately. I

recently completed heartworm treatment and she says I'm not allowed to be active for 30 days. So, I just get lots of extra snuggles for now. To adopt me, please send an email to carolinaboxer@gmail.com, call 910-799-5638, or visit www.carolinaboxerrescue.org. ♥

I am **Loretta Lynn**, Honky Tonk Boxer and Best Friend Ever. You may have seen me around the clubs, on old AMC specials, or floating around the discount pile. I'm 7-years-old, so I've been around the circuit a bit. Done a lot of touring in my life! At this point in the show, I'm looking for the perfect duet. You and I could make beautiful ballads together. I've got so much love to give - and I do, to everyone I meet - but I'm holding a little inside, behind the scenes, for my one and only. I'm crate-trained, house-trained, and I've got the fastest nub wag this side of the Mississippi. To adopt me, please send an email to carolinaboxer@gmail.com, call 910-799-5638, or visit www.carolinaboxerrescue.org. ♥

Hello, my name is **Rolli**. I am a Boxer/American Bulldog mix. My foster mom calls me a hunk of burning love. I give her a facial every night. My foster mom loves me to death. We sleep together and she is my comfort since I have never been in a bed. I ask that my new forever home does not take that away from me. I

listen to doggie music to calm me down at night and enjoy belly rubs. I am a very gentle and loving dog. My dream is to find a forever family who loves me as much as my foster mom and she adores me to no end. Please pick me - I am worth it! To adopt me, email Carolina Boxer Rescue at carolinaboxer@gmail.com, call 910-799-5638, or visit www.carolinaboxerrescue.org. ♥

Silas

Sloan

Hello out there! I'm a puppy boy named **Silas** and this is my sister, **Sloan**! We are 3-month-old Hound mixes. When we arrived at the shelter we were covered in fleas and ticks, poor us! But after some tender loving care, we are doing great! We are happy little pups, very playful and adventurous. Our friends think we won't get too big. We are vaccinated, neutered and microchipped. To adopt one of us, please call Pender County Humane Society at 910-259-7022 or submit an adoption application on their website at www.penderhumane.org. The shelter is open seven days a week, too!

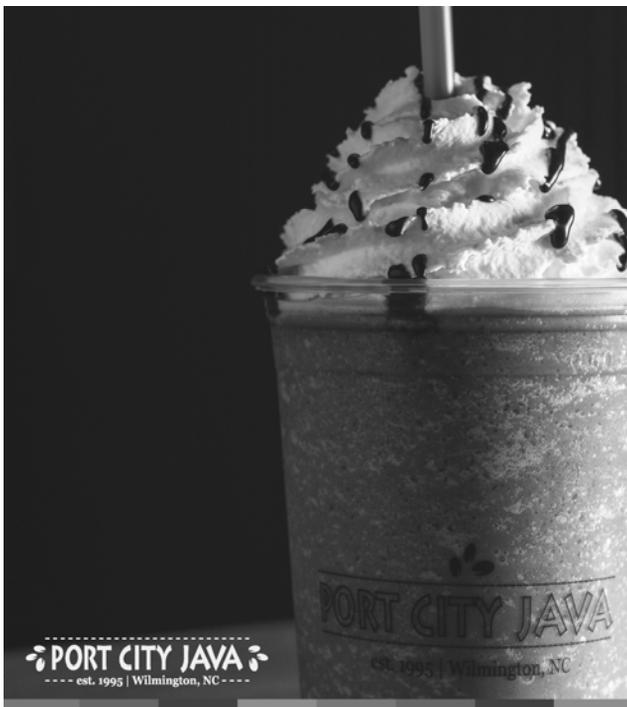

We are sponsored by Mr. Peanut and Ginger Snap.
Thank you!

Hi, my name is **Frisbee**. I got that name because I was so stressed at the shelter that I kept spinning around and jumping JUST like a frisbee. Freedom Bridge came and got me and I am so glad because I heard people talking about maybe my time was coming?! And I don't think they were talking about a good time. I'm

a black Lab mix who is about 1 to 2-years-old. I tried really hard to be a good girl in the shelter, but I was so nervous that I got super skinny. Even though the nice people there tried to feed me a lot, I just kept getting skinnier and skinnier. Some people would come to meet me but they would pick one of my other friends and leave me behind. Freedom Bridge came out with another really nice lady and her furbaby. We had so much fun! Now I am with my foster Papa and I have three step-siblings who I love! I went to the doctor and everything check out ok, so now I am getting puppy food. Everyone is happy because they say I am finally putting on some weight. Yay! My foster family is fantastic but I'm ready to find my new furever family. I love other dogs and probably would do much better if I had a fur brother or sister. I love to do zoomies, so a fence is pretty important for me. I am learning my manners and I am working on being my bestest self! Won't you please give me a chance? I'm waiting for you. For info, to arrange a meet and greet or to find out how to adopt me, call Freedom Bridge Animal Rescue NC at 843-614-0231 or send an email to freedombridgeanimalrescuenc@gmail.com.

I am sponsored by Cape Fear Spay/Neuter Clinic.

◀ Boy, I know how to pose for the camera, don't I? Just think of all the cute photos you'll take of me! My name is **Todd** and I'm a 3-month-old Tabby kitten boy. I am playful and curious and I enjoy exploring the cat room. They have toys here and you can come and watch me

play! I am neutered, up to date on kitten vaccines, litterbox-trained and microchipped. Hurry on over and let's enjoy a cuddle or two, okay? ♥

▶ How can you resist these sweet eyes? My name is **Stumpy** and I'm a happy, friendly boy, just 1-year of age and 35 pounds! I'm a mixed breed, perhaps with Basset Hound, but who knows? Whatever I am, I'm awfully cute! I appear to be house-trained, I'm neutered, I'm up to date on vaccinations and I'm very engaged with people. Let's meet! ♥

◀ I'm a lovely dilute Calico girl named **Maria**. At just 3-years-old and 8 pounds, I've just arrived at the shelter, but am already relaxed enough to come forward to greet visitors and receive pets. I am spayed, vaccinated and litterbox-trained, too! ♥

My name is **Duchess** and you may remember me. That is because I was homeless before and was adopted but I have been returned. My dad took a new job and has moved away. He said his new job meant he would be travelling a lot anyway and I couldn't go. I am a senior dog, about 50 pounds, who had a rough life to begin with. I am quiet,

house-trained and a great indoor dog. Originally, I lived my life on the end of a chain with an endless supply of puppies so I really deserve to be pampered now. I am so very tired of this hard life: homelessness, over-breeding, in and out of shelters / boarding, and spending weekends at adoption fairs getting overlooked. I would be best suited in a home with older kids (whom I actually love) and no other pets since my background was so rough. I would love a nice retired couple. Please come me at PetPeople Store every Saturday from 11:30am to 3:30pm or call Sherry at 910-523-1254. You may also visit Adopt-An-ANGEL online at www.adoptanangel.net or on Facebook at www.facebook.com/adoptanangelnc for more info.

I am sponsored in loving memory of **Sprout, KC, Babe, Grace, Beauty, Frodo, Sassy, Max, Twinkle, Casper, Coach, Flower, Nell, Duffy, Melody, Whisper, and Raspberry.**

Hi there! I'm **Hamilton** and I don't want to brag, but I am an extraordinary 2-year-old boy looking for an extraordinary human who likes to travel, visit parks, hike mountains, splash around at the beaches, and go anywhere else we can sniff out adventures! I'm well-behaved for a young lad, I know 'sit', and I'm working on my leash manners, too. I am quite the 45 pound goofball and love to play, so I hope my forever family likes to have fun as well. I am always making the volunteers laugh at my silliness. I am also a collector...

of toys, of course! Any toy you give me I will take and place on my bed. I am heartworm positive, but I've already started the treatments to get rid of those worms. I'm super-friendly and cuddly, so maybe you have some children I can play with and grow up loving, or maybe it's just you and me, kid. Paws Place is open Tuesday - Saturday from 10am to 2pm (no appointment necessary.) Call 910-845-7297 or email info@pawsplace.org for more info.

I am sponsored by **Cindy Meyers** in loving memory of **Harley, Murphy and Sophie.**

► My name is **Jenkins** and I'm a female veiled Chameleon who is 1½-years-old. I love all insects and don't seem to have any health issues. While I'm not crazy about handling, I'm not aggressive when you reach into my enclosure but I will tell you to leave me alone. ♥

◀ I'm **Mushu**, a Leopard Gecko who is about 5-years-old. My owner had to move back onto a military base where they don't allow reptiles, so me and my 'siblings' all came to Fresh Start Rescue. I am a great weight and always ready for any insect you offer. ♥

◀ I'm **Lil Man** and I'm just the sweetest baby but I'm almost completely blind. I need help with drinking water, finding my salad, and have to be handfed

insects. I will eat my salad when I find it. Despite all my issues, I really love to be held and cuddled. I am positive for ADV but show no sign of illness currently. I need to be in a home with no other dragons. ♥

► My name is **Drogon** and I'm a senior girl who is approximately 7-years-old. I have extreme MBD of the spine. My spine is crooked and causes me to walk sideways. But I get around in my own way, I eat

everything you feed me, and I'm just an overall happy girl. I am positive for ADV but show no sign of illness currently. I need to be in a home with no other dragons. ♥

◀ I'm **Stubbs**, a wild corn snake who was found in a shipment. While I could survive here in the wild, animals from other locations should never

be released into the wild. I got my name because I am missing the tip of my tail. I'm an unconfirmed male. Due to being wild, I'm a little defensive but have been eating frozen/thawed rodents and getting used to handling. ♥

► My name is **Bubbles** and I'm a normal male Ball Python. I came into rescue emaciated, with a mouth infection and little history information. After some assisted feedings, I finally started eating on my own and now I eat great. I have doubled

in size since coming to Fresh Start. ♥

► My name is **Sandman** and I came into rescue with an eye infection in both eyes and was very skinny. My eyes are better and I will eat

by tongs. I will not hunt food yet and absolutely will not touch black soldier fly larva! I'm still working on getting my tail fatter but overall I am doing very well. ♥

► Hey, my name is **Splotch**. I'm a little one who came to rescue from one of the local Animal Control departments. Unfortunately, my age and history is unknown and it's uncertain if I'm male or female. Don't worry though - one thing is for certain, I eat well and handle well. ♥

PAWS Resale Shoppe Supports Rescues

Founded in 2019, PAWS Resale Shoppe's mission has always been to give proceeds to local animal rescue groups in the Wilmington and surrounding areas. Since its inception, they have given money to dog, cat, and even bird rescues. There is a food bin at the store to collect pet food donations which is then distributed to shelters and rescues. PAWS depends heavily on donated household goods that are in very good condition for resale. There is also a donation jar in the store which people can drop change into. This jar has been the reason litters of dumped puppies and kittens have been saved and adopted to loving homes. PAWS greatly appreciates community support and hopes to continue its mission for years to come. The shoppe is located at 5941 Carolina Beach Road in Monkey Junction where pets are allowed to shop with you Monday - Friday from 10am to 4pm and Saturday from 10am to 3pm. Please call 910-399-8390 with questions or to learn more.

In just 3-years, I'm homeless for the 3rd time in my life!
Please help me find my Hound lover!

My name is **Goose** and I am a purebred Blue Tick Hound who is about 3-years-old and I weigh about 65 pounds. I am 100% true to my breed. I have a bay that I can win baying contests with. I cannot live in an apartment as a result. I am a companion animal and want to be with my person as much as I can. Therefore, I need a home with someone who is home a lot. I was adopted as a puppy but as I grew up, I started to have some tussles with the other dog and the human baby was born with a very rare skin disorder. I absolutely couldn't hurt it even by accident. I was loved and my family was devastated to give me up. Then, I was in another home over this past year, but they divorced and I find myself homeless for the third time in my life. I am missing an ear because, when I was a puppy, my mother bit it off when I went for the food. So, I have a real unique look to me, don't you think? I probably need a home with a fenced in yard and no other pets to be completely successful. I do love older kids, I am completely house-trained and I'm devoted to my people. Please call my foster mom, Jill, at 910-620-3783 to meet me. You can visit Adopt-An-ANGEL online at www.adoptanangel.net.

Who can resist a young 4-year-old Lab mix! My name is **Ridley** and my favorite pastime is snuggles. When I came to Paws Place, they found out I had a chronic injury, through no fault of my own. The vet told Paws Place that this injury made me special, and I would need a little extra care, but I

am like any other dog. So, I am looking for a special person who understands I'm a special dog who deserves the love of a forever home, too. As you can see, when I am indoors, I require a diaper, but that doesn't stop me from playing or enjoying a frozen Kong on a warm summer's day! At 60 pounds, I'm a medium-sized boy who walks great on a leash, too. I love letting the sunshine hit my face and exploring everything the world has to offer. I steal the hearts of everyone I meet and wow them with my personality, but after 8-months at Paws Place no one seems to want such a loving special boy as me. Can you help me find my forever home? Paws Place is open Tuesday - Saturday from 10am to 2pm and no appointment is necessary. Call 910-845-7297 or email info@pawsplace.org for more info.

I am sponsored in honor of all the people who lovingly care for the dogs at Paws Place.
